I Am the Messenger-Markus Zusak 2007-12-18 DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF AND AN UNFORGETTABLE AND SWEEPING FAMILY SAGA. From the author of the extraordinary #1 New York Times bestseller The Book Thief, I Am the Messenger is an acclaimed novel filled with laughter, fists, and love. A MICHAEL L. PRINTZ HONOR BOOK FIVE STARRED REVIEWS Ed Kennedy is an underage cabdriver without much of a future. He's pathetic at playing cards, hopelessly in love with his best friend, Audrey, and utterly devoted to his coffee-drinking dog, the Doorman. His life is one of peaceful routine and incompetence until he inadvertently stops a bank robbery. That's when the first ace arrives in the mail. That's when Ed becomes the messenger. Chosen to care, he makes his way through town helping and hurting (when necessary) until only one question remains: Who's behind Ed's mission?

Dementia Dolls-Mary Ann Kampfe 2019-04-12 An only child with devoted parents, Mary Ann Kampfe determines to return the favor when they need her help. When Josephine and Joe Mandrick relocate to live closer to their daughter, Mary Ann splits her time between her home and their apartment twenty minutes away. But Mary Ann finds herself suffocating in the "sandwich," feeling her efforts fall flat. She blames herself for her parents' discontent with the arrangement. Perhaps the demands of her growing family prevented the fun times and closer relationship she had hoped for with her parents. Or, even worse, is the problem that Mary Ann - as her mother Josephine often said - a carbon copy of her pleasant but sometimes cold father? After Joe Mandrick passes away, 86-year-old Josephine moves in with Mary Ann's family. Although daunted by the prospect of once again living under the same roof as "Hurricane Josephine," Mary Ann hopes for the best. Then, a few months later, Josephine is diagnosed with dementia. Puzzled by her fading memory and saddened by her situation, Josephine looks to her daughter for validation. Although determined to make life as enjoyable as possible for her mom, exhaustion and resentment seep in. However, despite the disagreements and increasing demands, Mary Ann finally comes to learn there is indeed a silver lining in the cloud of dementia.

Doomsday Book-Connie Willis 2011-01-05 Five years in the writing by one of science fiction's most honored authors, Doomsday Book is a storytelling triumph. Connie Willis draws upon her understanding of the universalities of human nature to explore the ageless issues of evil, suffering and the indomitable will of the human spirit. For Kivrin, preparing an on-site study of one of the deadliest eras in humanity's history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin—barely of age herself—finds she has become an unlikely angel of hope during one of history's darkest hours. Praise for Doomsday Book "A stunning novel that encompasses both suffering and hope. . . . The best work yet from one of science fiction's best writers."—The Denver Post "Splendid work—brutal, gripping and genuinely harrowing, the product of diligent research, fine writing and well-honed instincts, that should appeal far beyond the normal science-fiction constituency."—Kirkus Reviews (starred review) "The world of 1348 burns in the mind's eye, and every character alive that year is a fully recognized being. . . . It becomes possible to feel . . . that Connie Willis did, in fact, over the five years Doomsday Book took her to write, open a window to another world, and that she saw something there."—The Washington Post Book World

Mindfulness-Based Business: Berbisnis dengan Hati-Sudhamek AWS 2020-12-16
ÔPenulis buku ini, Dr. (H.C.) Sudhamek AWS, S.E., S.H., bukan hanya pelaku bisnis yang sukses, tetapi lebih dari itu, punya kepedulian sosial kemanusiaan yang tinggi. Buku ini adalah anyaman apik antara teori bisnis dan cita-cita luhur yang menjadi pesan utamanya.Ô
Ð Ahmad Syafii Maarif Selama ini saya sangat percaya bisnis dan spiritualitas tidak bisa disatukan. Namun setelah memahami mindfulness-based business (MBB) yang disampaikan Sudhamek AWS dalam buku ini, keyakinan saya berubah total. Keduanya dapat beriringan. Ini merupakan terobosan pemikiran yang penting bagi kita semua, terutama pelaku dunia usaha.
Ð Andy F. Noya, Jurnalis, Host Kick Andy ÔApakah kita bisa berbisnis tanpa meninggalkan moralitas (ajaran agama)?Ô
Buku ini menjawab: ÔBisaÔ, bahkan ÔNiscayaÔ. Didasarkan pada pengalaman membangun Garudafood, penulis memberikan langkah-langkah untuk mewujudkannya. Layak dibaca praktisi maupun peneliti manajemen bisnis.
Ð Prof. Boediono, Ph.D., Wapres RI Ke-11, 2009-2014 Sebagai pimpinan utama Garudafood, Sudhamek menerapkan panduan-panduan normatif berupa mindfulness-based business (MBB). Di buku ini dibahas bagaimana mindfulness practices secara integral dikombinasikan dalam kepiatnnya kepuasan serta kesejahteraan segenap pemangku kepentingan.
Ð Prof. Dorodjatun Kuntjoro-Jakti, Ph.D., Gurubesar Emeritus Fakultas Ekonomi dan Bisnis Universitas Indonesia Memadukan bisnis, prinsip etika dan kemanusiaan, ibarat memadukan api dengan air. Tak banyak entrepreneur mampu memainkan dua hal paradoksikal itu dengan baik dan berimbang. Sudhamek bisa. Cara berbisnisnya adalah cerminan jiwa yang mindful: yang tak henti mencari cara agar bisnis yang dijalani memberikan semakin banyak manfaat bagi makin banyak pihak. Semoga buku ini menginspirasi banyak orang, agar menjadi pribadi dan entrepreneur yang mindful.
Ð Teddy P. Rachmat, Pendiri Triputra Group Lewat buku ini kita diajak melakukan perjalanan spiritual dan berefleksi: apakah sisa hidup akan dipakai membangun bisnis yang semata-mata mengejar profit, atau justru fokus utamanya adalah seberapa besar manfaat dan kebaikan yang dapat diciptakan dan dibagikan ke banyak orang? Lewat buku ini semoga kian banyak bisnis yang mengadopsi filosofi MBB sehingga dapat mewariskan dunia yang lebih baik.
Ð William Tanuwijaya, Pendiri & CEO Tokopedia

Academia Obscura-Glen Wright 2017-10-19 If you think the groves of academe are all stuffiness, elbow patches and greying old men... think again. Academia Obscura is an irreverent glimpse inside the ivory tower, exposing the eccentric and slightly unhinged world of university life. Take a trip through the spectrum of academic oddities and unearth the Easter eggs buried in peer reviewed papers, the weird and wonderful world of scholarly social media, and rats in underpants. Procrastinating PhD student Glen Wright invites you to peruse his cabinet of curiosities and discover what academics get up to when no one's looking. Welcome to the hidden silly side of higher education.

Katastrofi mendunia-Taufiq Ismail 2004 History of communism in several countries with reference to the Communist Party in Indonesia.

Destination Dissertation-Sonja K. Foss 2007-05-30 Dissertations aren't walls to scale or battles to fight; they are destinations along the path to a professional career. This friendly guide helps doctoral students develop and write their dissertations, using travel as a metaphor. This time-tested method comes from the authors' successful work at the Denver-based Scholars' Retreat. Following concrete and efficient steps for completing each part of the dissertation, it includes a wealth of examples from throughout the dissertation process, such as creating the dissertation proposal and coding data. Essential for all PhD candidates!

Beginning XML-David Hunter 2004-05-26 What is this book about? Extensible Markup Language (XML) is a rapidly maturing technology with powerful real-world applications, particularly for the management, display, and organization of data. Together with its many related technologies it is an essential technology for anyone using markup languages on the web or internally. This book teaches you all you need to know about XML — what it is, how it works, what technologies surround it, and how it can best be used in a variety of situations, from simple data transfer to using XML in your web pages. It builds on the strengths of the first edition, and provides new material to reflect the changes in the XML landscape — notably SOAP and Web Services, and the publication of the XML Schemas Recommendation by the W3C. What does this book cover? Here are just a few of the things this book covers: XML syntax and writing well-formed XML Using XML Namespaces Transforming XML into other formats with XSLT XPath and XPointer for locating specific XML data XML Validation using DTDs and XML Schemas Manipulating XML documents with the DOM and SAX 2.0 SOAP and Web Services Displaying XML using CSS and XSL Incorporating XML into tradition databases and n-tier architectures XLink and XPointer for linking XML and non-XML resources Who is this book for? Beginning XML, 2nd Edition is for any developer who is interested in learning to use XML in web, e-commerce or data-storage applications. Some knowledge of mark up, scripting, and/or object oriented programming languages is advantageous, but not essential, as the basis of these techniques are explained as required.

Earthly Powers-Anthony Burgess 2012 An exploration of the very essence of power centers on two men who represent different types of earthly power—one an eminent novelist and well-known homosexual, the other a man of God who rises through the Vatican hierarchy.

Assassin's Fate-Robin Hobb 2017-05-09 NEW YORK TIMES BESTSELLER • The stunning conclusion to Robin Hobb’s Fitz and the Fool trilogy, which began with Fool’s Assassin and Fool’s Quest “Every new Robin Hobb novel is a cause for celebration. Along with millions of her other fans, I delight in every visit to the Six Duchies, the Rain Wilds, and the Out Islands, and can’t wait to see where she’ll take me next.”—George R. R. Martin More than twenty years ago, the first epic fantasy novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Now New York Times bestselling author Robin Hobb brings to a momentous close the third trilogy featuring these beloved characters in a novel of unsurpassed artistry that is sure to endure as one of the great masterworks of the genre. Fitz’s young daughter, Bee, has been kidnapped by the Servants, a secret society whose members not only dream of possible futures but use their prophecies to add to their wealth and influence. Bee plays a crucial part in these dreams—but just what part remains uncertain. As Bee is dragged by her sadistic captors across half the world, Fitz and the Fool, believing her dead, embark on a mission of revenge that will take them to the distant island where the Servants reside—a place the Fool once called home and later called prison. It was a hell the Fool escaped, maimed and blinded, swearing never to return. For all his injuries, however, the Fool is not as helpless as he seems. He is a dreamer too, able to shape the future. And though Fitz is no longer the peerless assassin of his youth, he remains a man to be reckoned with—deadly with blades and poison, and adept in Farseer magic. And their goal is simple: to make sure not a single Servant survives their scourge.

Fire in the Heart-Deepak Chopra 2008-06-23 A fifteen-year-old boy is walking through a swirling fog on his way to school when a voice calls out, "Come here. We need to talk." Out of the mist emerges an old man with a white beard. He is a fantastic figure, as wizardly as Merlin, as wise as Socrates, as peaceful as Buddha. Whoever he is, the old man has appeared on that very day to change the boy's life. "You are old enough to learn about things," he says mysteriously. "And who is going to teach you but me?" The old man gives the boy four days of "soul training," a time of riddles, tricks, parables, and incredible twists that brings out surprising answers to each of four burning questions about spirituality: Do I have a soul? How do wishes come true? What is the supreme force in the universe? How can I change the world? "The old man with the white beard showed me the spiritual side of life," writes Deepak Chopra, "where real passion and excitement come from. So before you begin, take a deep breath. This story could turn out to be yours."

Energy and Civilization-Vaclav Smil 2018-09-13 A comprehensive account of how energy has shaped society throughout history, from pre-agricultural foraging societies through today's fossil fuel-driven civilization. "I wait for new Smil books the way some people wait for the next 'Star Wars' movie. In his latest book, Energy and Civilization: A History, he goes deep and broad to explain how innovations in humans' ability to turn energy into heat, light, and motion have been a driving force

behind our cultural and economic progress over the past 10,000 years. --Bill Gates, Gates Notes, Best Books of the Year Energy is the only universal currency; it is necessary for getting anything done. The conversion of energy on Earth ranges from terra-forming forces of plate tectonics to cumulative erosive effects of raindrops. Life on Earth depends on the photosynthetic conversion of solar energy into plant biomass. Humans have come to rely on many more energy flows--ranging from fossil fuels to photovoltaic generation of electricity--for their civilized existence. In this monumental history, Vaclav Smil provides a comprehensive account of how energy has shaped society, from pre-agricultural foraging societies through today's fossil fuel-driven civilization. Humans are the only species that can systematically harness energies outside their bodies, using the power of their intellect and an enormous variety of artifacts--from the simplest tools to internal combustion engines and nuclear reactors. The epochal transition to fossil fuels affected everything: agriculture, industry, transportation, weapons, communication, economics, urbanization, quality of life, politics, and the environment. Smil describes humanity's energy eras in panoramic and interdisciplinary fashion, offering readers a magisterial overview. This book is an extensively updated and expanded version of Smil's Energy in World History (1994). Smil has incorporated an enormous amount of new material, reflecting the dramatic developments in energy studies over the last two decades and his own research over that time.

Bad Pharma-Ben Goldacre 2014-04-01 Argues that doctors are deliberately misinformed by profit-seeking pharmaceutical companies that casually withhold information about drug efficacy and side effects, explaining the process of pharmaceutical data manipulation and its global consequences. By the best-selling author of Bad Science.

In the Ranks-R. E McBride 2020-08-15 Reproduction of the original: In the Ranks by R. E McBride

Feed-Tommy Pico 2019-11-05 From the Winner of the Whiting Award, an American Book Award, and finalist for a Lambda, Tommy Pico's Feed is the final book in the Teebs Cycle. Feed is the fourth book in the Teebs tetralogy. It's an epistolary recipe for the main character, a poem of nourishment, and a jaunty walk through New York's High Line park, with the lines, stanzas, paragraphs, dialogue, and registers approximating the park's cultivated gardens of wildness. Among its questions, Feed asks what's the difference between being alone and being lonely? Can you ever really be friends with an ex? How do you make perfect mac & cheese? Feed is an ode of reconciliation to the wild inconsistencies of a northeast spring, a frustrating season of back-and-forth, of thaw and blizzard, but with a faith that even amidst the mess, it knows where it's going.

A Daughter of Raasay: A Tale of the '45-William MacLeod Raine 2019-12-13 "A Daughter of Raasay: A Tale of the '45" by William MacLeod Raine. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten--or yet undiscovered gems--of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

In Their Own Way-Thomas Armstrong 1987 This book speaks to the millions of parents and teachers with children who are having difficulty in school. The author shows how to perceive children as individuals with distinct learning styles (linguistic, kinetic, interpersonal, etc.) and how take full advantage of their hidden aptitudes.

Invisible City (the Joshua Files #1)-M G Harris 2014-09-27 When his archaeologist father goes missing after an air crash in Mexico, UFO-obsessed Josh Garcia suspects alien abduction. He starts a blog to voice his fears and finds like-minded friends. But after he discovers his dad was murdered, Josh is caught up in a race to find the legendary Ix Codex - a lost book of the ancient Maya containing a prophecy about the end of the world. Praise for 'The Joshua Files': "As thrilling as a rollercoaster ride, this fantastical world of spies, spirits, ancient prophecies and hidden cities tests Josh to his limits." The Book Trust "This series is awesome and I have really enjoyed it. 5/5 stars!" Guardian Children's Books "A very well-crafted saga... Has a compelling energy." The Bookbag "Indiana Jones would have stiff competition in young Joshua Garcia, the protagonist of this fast-paced action adventure. Highly Recommended." Library Media Connection, starred review

A practical Malay Grammar-W. G. Shellabear 1921 Second Edition.

Fool's Assassin-Robin Hobb 2014-08-12 NEW YORK TIMES BESTSELLER Nearly twenty years ago, Robin Hobb burst upon the fantasy scene with the first of her acclaimed Farseer novels, Assassin's Apprentice, which introduced the characters of FitzChivalry Farseer and his uncanny friend the Fool. A watershed moment in modern fantasy, this novel—and those that followed—broke exciting new ground in a beloved genre. Together with George R. R. Martin, Robin Hobb helped pave the way for such talented new voices as Scott Lynch, Brandon Sanderson, and Naomi Novik. Over the years, Hobb's imagination has soared throughout the mythic lands of the Six Duchies in such bestselling series as the Liveship Traders Trilogy and the Rain Wilds Chronicles. But no matter how far she roamed, her heart always remained with Fitz. And now, at last, she has come home, with an astonishing new novel that opens a dark and gripping chapter in the Farseer saga. FitzChivalry—royal bastard and former king’s assassin—has left his life of intrigue behind. As far as the rest of the world knows, FitzChivalry Farseer is dead and buried. Masquerading as Tom Badgerlock, Fitz is now married to his childhood sweetheart, Molly, and leading the quiet life of a country squire. Though Fitz is haunted by the disappearance of the Fool, who did so much to shape Fitz into the man he has become, such private hurts are put aside in the business of daily life, at least until the appearance of menacing, pale-skinned strangers casts a sinister shadow over Fitz’s past. . . . and his future. Now, to protect his new life, the former assassin must once again take up his old one. . . . Praise for Fool’s Assassin “Hobb knows the complicated workings of the wayward human heart, and she takes time to depict them in her tale, to tell her story sweetly, insistently, compellingly. . . . A book meant to be inhabited rather than run through.”—The Seattle Times “[FitzChivalry Farseer is] one of the best characters in fantasy literature.”—Fantasy Book Review “[Hobb’s] prose sparkles, her characters leap off the page.”—Tordotcom “Modern fantasy at its irresistible best.”—The Guardian “Fantastic . . . emotionally rich storytelling.”—Library Journal (starred review)

Naruto: The Official Character Data Book- 2012-01-10 Presents character profiles from the series "Naruto: Shippuden," and describes each character's strengths, histories, relationships with others, and how each has changed since the original "Naruto" series.

Sonic Modernities in the Malay World- 2014-01-09 Sonic Modernities analyses the interplay between the production of popular music, shifting ideas of the modern and, in its aftermath, processes of social differentiation in twentieth-century Southeast Asia.

Avatar: The Last Airbender - The Promise Part 2-Gene Luen Yang 2013-07-02 Aang and Katara are working tirelessly for peace when an impasse between Fire Lord Zuko and Earth King Kuei over Fire Nation colonies within the borders of the Earth Nation threatens to plunge the world back into war! Meanwhile, Sokka must help Toph prepare her hapless first class of metalbending students to defend their school against a rival class of firebenders! * Written by Eisner winner and National Book Award nominee Gene Luen Yang (American Born Chinese).

The Iron Boys in the Mines, Or, Starting at the Bottom of the Shaft-James R. Mears 1912

Energy-Vaclav Smil 2017-01-05 With one famous equation, E=mc2, Einstein proved all matter can be described as energy. It is everywhere and it is everything. In this newly updated and engaging introduction, renowned scientist Vaclav Smil explores energy in all its facets - from the inner workings of the human body to what we eat, the car we drive and the race for more efficient and eco-friendly fuels. Energy: A Beginner's Guide highlights the importance of energy in both past and present societies, by shedding light on the science behind global warming and efforts to prevent it, and by revealing how our daily decisions affect energy consumption. Whether you're looking for dinner table conversation or to further your own understanding, this book will amaze and inform, uncovering the truths and exposing the myths behind one of the most important concepts in our universe.
