Cambridge University Examination Papers- 1893

Deutsch-Englisch/German-English- 1991-01-01 Die Neuauflage stellt eine gründliche Neubearbeitung des zuletzt 1971 erschienenen deutsch-englischen Teils des Law Dictionary dar. Das Wörterbuch enthält die Fachterminologie des Rechtsbereichs unter Berücksichtigung

übergreifender Disziplinen. So wurden die auch für den Rechtsbereich relevanten Begriffe aus Wirtschaft, Politik und Diplomatie, Begriffe des Verteidigungs- und Militärwesens, des Steuer-, Zoll-, Versicherungs-, Verkehrs- und Nachrichtenwesens wie des Finanz-, Betriebs-, Geld-, Bank- und Börsenwesens in das Wörterbuch aufgenommen. Die 4. Auflage wurde ergänzt um die Terminologie folgender Bereiche: Atomwirtschaft, Terrorismusbekämpfung, Umweltschutz, Drogenszene, Wettbewerbsrecht, Luftpiraterie u.a. Jeder Eintrag wurde gründlich hinsichtlich seiner Wichtigkeit für den Benutzer geprüft. Neben der rein fachlichen Terminologie war auch die Aufnahme einiger allgemeiner Begriffe erforderlich. Auf Grund der Fülle des vorliegenden Materials, die sich aus dem Studium einschlägiger Literatur und praktischer Tätigkeit ergab, überschreitet der Band bei weitem das Volumen der Voraufgabe. Die Anzahl der Begriffe wuchs von etwa 30.000 auf rund 75.000.

Economic Development Practices Among Small/rural Community Colleges-Tim Esbeck 1993 In developing this compendium of exemplary economic development practices among small and/or rural two-year colleges, the American Association of Community Colleges Commission on Small/Rural Community Colleges (CSMCC) sent out a call for program descriptions to all community colleges with less than 3,000 full-time employees or that were self-designated as small or rural. A sample of the best submissions were selected by committee for inclusion in this publication. Following a brief introduction and a listing of CSMCC members, the report presents one-page summaries of 89 economic development programs. The program summaries are grouped into the following categories: (1) efforts in entrepreneurship/new business development, including Bessemer State Technical College's (Alabama) business incubator program and Phillips County Community College's (Arkansas) ethanol production facility study; (2) processes for technology deployment, including Gateway Community Technical College's (Connecticut) automotive cooperative program and Clovis Community College's (New Mexico) instruction via fiber optics program; (3) industrial recruitment and retention efforts, including Alabama Aviation and Technical College's retiree recruitment program and Illinois Central College's economic development consortium; and (4) college relationships with business and industry, including Allen County Community College's (Kansas) robotic installation assistance program and Alexandria Technical College's (Minnesota) center for total quality management training. Each program summary includes the program name; name of the college, the executive officer, and the college address; the program contact person and his/her telephone number; a summary of exemplary accomplishments; a description of what was done and how it was done; resource requirements; and a list of key factors in success.
