Frank Wood's A-Level Accounting uPDF eBook-Alan Sangster 2015-11-09 This edition of Frank Wood's A-level Accounting has been restructured to match closely the AQA A-level syllabus, now covered in the first fifteen chapters. In particular coverage of partnership accounts, now in one chapter; all company accounting is covered in one chapter; and standard costing and variance is covered in a single chapter. The book builds on a first course in accounting and includes coverage of the more advanced aspects of financial and management accounting. As well as providing instruction and practice in the preparation of accounting information, the text stresses the need for students to understand the business reasons behind accounting techniques. A continuing strength of the book is the large amount of question material. Recent past questions from the main examining bodies are included as well as a useful guide to examination techniques at A-level.

Managing Employment Relations-Tony Bennett 2020-02-03 Employment relations is concerned with the relationship between employees and their employers and is one of the most important aspects of an HR role. Managing Employment Relations will give students a thorough grounding in the processes, context and practical application of employment relations and give them the knowledge and skills they need for a successful career in HR. Covering everything from the legal aspects of employment relations, essential policies, strategies and the changing social context to conflict resolution, mediation, employee engagement and workplace discipline, Managing Employment Relations is an indispensable guide. With brand new

content on gig economy workers, supporting diversity in the workplace, individual and group policies and the need for greater transparency in the employer-employee relationship, this book is a comprehensive guide to the theory and practice of employment relations. Mapped to the CIPD Level 7 module in employment relations and full of case studies and exercises to help students understand the practical application of the core topics, this is an essential textbook for postgraduate HR students and practitioners in an employment relations role. Online resources include a lecturer guide, lecture slides, sample essay questions and additional case studies for students and lecturers as well as annotated weblinks.
