Audit and Assurance Essentials-Katharine Bagshaw 2013-02-28 An accessible beginner's guide to the fundamentals of audit and assurance. Audit and assurance is a basic and vital aspect of the financial world and a key element of all professional accountancy programs. Whereas professional training on the topic frequently immerses students in too much detail while glossing the basics, this book begins with the fundamentals and expands to cover the details in a more measured way. With practical examples and end-of-chapter examples, External Audit and Assurance Essentials breaks down a difficult and challenging field of professional accounting.

Ethical Obligations and Decision-Making in Accounting: Text and Cases-Steven Mintz
2016-01-22

Taxation- 1998

International GAAP 2015-Ernst & Young LLP 2015-03-10 IFRSs, the standards set by the International Accounting Standards Board (IASB), are complex and sometimes obscure. Understanding their implications and applying them appropriately requires something special; and that is why International GAAP® 2015 is the essential tool for anyone applying, auditing, interpreting, regulating, studying and teaching international financial reporting. It provides expert interpretation and practical guidance for busy professionals, and includes, in every chapter, detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively. The International Financial Reporting Group of Ernst & Young includes financial reporting specialists from throughout the world. Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue. International GAAP® 2015 is the only globally focused work on IFRSs. It is not constrained by any individual country's legislation or financial reporting regulations, and it ensures an international consistency of approach unavailable elsewhere. It shows how difficult practical issues should be approached in the complex, global world of international financial reporting, where IFRSs have become the accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level of authoritative material for anyone involved in preparing, interpreting or auditing company accounts, for regulators, academic researchers and for all students of accountancy. All aspects of the detailed requirements of IFRS are dealt with on a topic-by-topic basis. Each chapter of International GAAP® 2015 deals with a key area of IFRS and has a common structure for ease of use:

- An introduction to the background issues
- An explanation of relevant principles
- A clear exposition of the requirements of IFRS
- A discussion of the implications in practice and possible alternative solutions available
- Worked examples
- Extracts from real company accounts
- A full listing of the required disclosures

Data Analytics for Accounting-Vernon J. Richardson 2018-05-23

Martindale-Hubbell Corporate Law Directory-

The XX Factor-Alison Wolf 2013-10-01 Noted British academic and journalist Alison Wolf offers a surprising and thoughtful study of the professional elite, and examines the causes—and limits—of women’s rise and the consequences of their difficult choices. The gender gap is closing. Today, for the first time in history, tens of millions of women are spending more time at the boardroom table than the kitchen table. These professional women are highly ambitious and highly educated, enjoying the same lifestyle prerogatives as their male counterparts. They are working longer and marrying later—if they marry at all. They are heading Fortune 500 companies and appearing on the covers of Forbes and Businessweek. They represent a special type of working woman—the kind who doesn’t just punch a clock for a paycheck, but derives self-worth and pleasure from wielding professional power. At the same time that the gender gap is narrowing, the gulf is widening among women themselves. While blockbuster books such as Lean In focus only on women in high pressure jobs, in reality there are four women in traditionally female roles for every Sheryl Sandberg. In this revealing and deeply intelligent book, Alison Wolf examines why more educated women work longer hours, why having children early is a good idea, and how feminism created a less equal world. Her ideas are sure to provoke and surprise, as she challenges much of what the liberal and conservative media consider to be women’s best interests.

The Little Book on CoffeeScript-Alex MacCaw 2012-01-19 This concise book shows JavaScript developers how to build superb web applications with CoffeeScript, the remarkable language that’s gaining considerable interest. Through example code, this guide demonstrates how CoffeeScript abstracts JavaScript, providing syntactical sugar and preventing many common errors. You’ll learn CoffeeScript’s syntax and idioms step by step, from basic variables and functions to complex comprehensions and

classes. Written by Alex MacCaw, author of JavaScript Web Applications (O’Reilly), with contributions from CoffeeScript creator Jeremy Ashkenas, this book quickly teaches you best practices for using this language—not just on the client side, but for server-side applications as well. It’s time to take a ride with the little language that could. Discover how CoffeeScript’s syntax differs from JavaScript Learn about features such as array comprehensions, destructuring assignments, and classes Explore CoffeeScript idioms and compare them to their JavaScript counterparts Compile CoffeeScript files in static sites with the Cake build system Use CommonJS modules to structure and deploy CoffeeScript client-side applications Examine JavaScript’s bad parts—including features CoffeeScript was able to fix

MCommerce Security-Kapil Raina 2002 Provides a definitive overview of mCommerce that highlights a variety of security implications and risk mitigation techniques in a handbook that discusses the security issues involved in diverse mCommerce applications, demonstrates security standards and protocols, and provides specific implementation examples. Original. (Intermediate)

Handbook of Budgeting-William R. Lalli 2011-12-05 No other management tool provides the operational direction that a well-planned budget can. Now in a new edition, this book provides updated coverage on issues such as budgeting for exempt organizations and nonprofits in light of the IRS' newly issued Form 990; what manufacturing CFOs' budgeting needs are; current technology solutions; and updated information on value-based budgets. Controllers, budget directors, and CFOs will benefit from this practical "how-to" book's coverage, from the initial planning process to forecasting to specific industry budgets.

FINANCIAL REPORTING (FR) - STUDY TEXT-Kaplan Publishing 2018-04-16

Profiling The Fraudster-Simon Padgett 2014-12-31 Detect and combat corporate fraud with new profiling techniques Profiling the Fraudster: Removing the Mask to Prevent and Detect Fraud takes a step-by-step approach

beyond the Fraud Triangle to identify characteristics in potential fraudsters, employees and new hires that will sound alarm bells before they get their hands on your organization's assets. The typical organization loses a staggering 5% of its annual revenue to fraud. Traditional fraud investigations focus on the breakdown of internal controls but what happens when the human beings forming a key component of that chain of control are inherently dishonest? This book shows you how to recognize the characteristics and behavioral patterns of potential fraudsters who are entrusted with safeguarding corporate assets. The book includes: An in-depth look at fraud investigation techniques and how these can be enhanced by using the characteristics of fraudulent behavior, A detailed look at profiling potential perpetrators of fraud, A detailed breakdown of how to compile a fraud profile, A discussion of a wide range of organizational fraud, including abuse of power, embezzlement, computer fraud, expense abuse, and more, Tables, illustrations, and diagrams to enhance the narrative If you're a corporate fraud investigator, auditor, forensic accountant, law enforcement professional, or anyone challenged with safeguarding your organizations assets—Profiling the Fraudster shows you how to remove the mask and prevent and detect fraud.

Quest for Exceptional Leadership-Ravi Chaudhry 2011-02-02 Quest for Exceptional Leadership: Mirage to Reality outlines the emergence of a new fifth phase of human enterprise that is redefining the criteria of success as well as re-configuring the routes to success. The author analyses the changing paradigms and provides a down-to-earth, realistic blueprint to acquire the relevant leadership traits. Corporations do not have the option to wait; they have to re-align themselves with the new reality - now. Based on substantial research and analysis, the book is full of path-breaking innovative concepts such as: - 'Seven Prime Realities' that adversely impact our businesses and lives. - 'Seven Allies to Catalyze Change' that can augment social consciousness in business. - 'Four Quadrant Matrix' to make the right choice, every time. - 'Five Circles of Leadership Attitudes' to assess where you are. - The journey from 'Base Camp Leadership Traits', to summit of Exceptional Leadership The author makes a compelling case that those who embrace the new realism will achieve sustained profitability for their companies and 'Triple Top Line' of joy,

peace, and contentment in their personal lives. The book would inspire every CEO and every aspiring CEO to map out his or her own personal path to becoming an exceptional leader. It is a pioneering endeavour to bring the CEO's personal value system into mainstream dialogue and to convince why corporate objectives can no longer disregard society's interests.

Pakistan & Gulf Economist- 2008

Learning Styles Questionnaire-Peter Honey 2006-04-01

Emerging Fraud-Kiyem Çaliyurt 2012-03-30 Fraud has become a challenging phenomena affecting economies worldwide. Anti-fraud measures are an integral part of today's management practices and have found their way into business education. Yet in developing countries these topics have long been neglected and only limited research has been conducted in this area. This book fills an essential gap by analyzing the impact of fraud on developing economies, describing successful anti-fraud methods and featuring cases that exemplify the measures described. The book features contributions by outstanding experts in the field and is intended for academic readers with a special interest in fraud research.

Embedding Human Rights Into Business Practice- 2007 Features 20 case studies from around the world outlining policies and practices to implement human rights within business operations. ACCA, for Exams in 2011-BPP Learning Media (Firm) 2010

Auditor's Dictionary-David O'Regan 2004-10-20 The Dictionary of Auditing is a one-stop resource for key auditing terminology, concepts, and processes essential to auditors and of increasing interest to those that work with them. Covers key regulatory developments such as Sarbanes Oxley and provides links for further reading.

Teaching IFRS-Richard M.S. Wilson 2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards (IFRS) highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS. Teaching IFRS offers expert descriptions of, and insights into, the IFRS convergence process from a teaching and learning perspective. Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world. The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks

which typically focus on the technical aspects of IFRS and their adoption. Drawing upon the experiences of those who have sought to introduce IFRS-related classroom innovations and the associated student outcomes achieved therefrom, the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS-related teaching resources to support those courses. This book was originally published as a special issue of Accounting Education: An international journal.

The Health Service Journal- 2006

Financial Management-Course Technology, Inc 2002 Advanced Financial Management is so imperative in running a successful organization.

ACCA P7 Advanced Audit and Assurance (International)-BPP Learning Media 2017-03-03 BPP Learning Media is an ACCA Approved Content Provider.
