**Hades' Daughter**-Sara Douglass 2003-09-15 Ancient Greece: A place where the gods hold mortal life cheap, mere playthings to amuse, delight, and abuse at their will. But those puny mortals are not wholly devoid of power and at the core of their fabulous city-states lies the Labyrinth, where they can shape the powers of the heavens to their own design. When Theseus entered the Labyrinth and came away with the prize of freedom and his beloved Adrianne, Mistress of the Labyrinth, his future seemed assured... Until he abandoned her for the unforgivable sin of bearing him only a daughter, and the world seemed to change. From that day forward, all the Labyrinths in the ancient world started to decay. It slowly became clear that power was fading from the city-states. Was it the natural decline that comes to all cultures or was it because the power of the Labyrinth had been corrupted by a woman spurned? A hundred years pass--Troy has fallen and the Trojans are a scattered and humbled people. The warrior Brutus is of the line of kings and gods. He wears the golden kingship bands of Troy proudly--but they are his only mementos of a former glory, for he is a man without a country and is left little else but pride and a memory of the latent power that he could wield if but given a chance. When he receives a god-sent vision of a distant shore where he can rebuild the ancient kingdom, he will move heaven and earth to reach his destiny. Ever eastward he is drawn, to a lovely and mystical green land that offers him a haven--and a dream of power and conquest. Nothing will deter him... not even the entreaties of the young princess whom he took as his wife and bedded against her will. First her hatred--and now her love--torment and bind him. She is the only one who realizes the danger he is stepping into, and she will do anything to save him... and his son, whom she carries in her womb. For in the mists of Albion there lies a woman of power--a woman who has used her siren call to cloud Brutus's mind and has her own reasons for luring the warrior to these lush shores.... She is the long-descended granddaughter of Adrianne, and she has in her heart a hatred that has been passed down for generations. Her plans for Brutus will enact a revenge that could destroy the gods themselves. s20If Brutus makes the journey successfully, it will be the next step in the Game of the Labyrinth and might start a complicated contest of wills that could span centuries.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Survivors**-Amanda Havard 2012-06-01 Sadie Matthaw tries to cope with her new life life in Survivors City, including her problems with the Winters, another clan of immortals, and her dual attraction to bloodthirty Everett Winter and the kind human, Cole Hardwick.

**The Sky Over Lima**-Juan Gómez Bárcena 2016-05-17 Based on a historic literary hoax, this “charming” novel is “a love letter to the creative process” from one of Spain’s most original authors (Kirkus Reviews). José Gálvez and Carlos Rodríguez are poets. Or, at least, they’d like to be. Sons of Lima’s elite in the early twentieth century, they scribble poorly constructed verses and read the greats: Rilke, Rimbaud, and, above all others, Juan Ramón Jiménez, the Spanish Maestro. Desperate for Jiménez’s latest work, unavailable in Lima, they decide to ask him for a copy. Certain Jiménez would never send his book to a couple of dilettantes, they concoct a plan à la Cyrano de Bergerac. They write to him posing as the lovely, imaginary Georgina Hübner. Incredibly, the poet takes the bait and responds with a book and letter. So begins the epistolary romance. As the maestro falls in love with Georgina, he writes his finest poetry. But when the mail delivery is stalled during the dockworkers’ strike, the scheme begins to unravel and reveal the vulgar truth. “This sweepingly beautiful translation will enchant readers. Gómez Bárcena’s style is both fresh and classic, delightful and mysterious, and his characters—who feel like living, breathing creatures—are sure to captivate even as they break your heart.” —Library Journal, starred review “Anyone who has ever wept over a poem or burned to write more and better and despaired because their talent let them down will read this novel and come away feeling understood.” —National Book Review “Gómez Bárcena tackles the most serious topics while masterfully showing how to write a story that’s simultaneously a comedy, a tragedy, and a portrait of another culture. The style is magnificent, the narration told with originality, pulse, and rhythm. There’s little more to say: read Gómez Bárcena.” —El Cultural

**One Hot Neighbor**-Ashlee Price 2020-05-18 Holiday on the beaches of sunny Greece? Check.Time with a gorgeous wealthy hunk? Check.Thinking that my hot billionaire chapter ended after leaving Greece? Check again! All I wanted was to feel the sun on my face and sand in my toes. I wasn't looking to mess around.I didn't even ask for his name. But those rock hard abs and chiseled body are hard to resist. That was the end of that.Or so I thought....Until I saw my dreamy-eyed hottie with his wry smile back in LA.My new next door neighbor...Liam. Jaw, meet floor. Floor, meet jaw. But there's a reason why he's back in my life.He's confident. He's reckless.And he's trapped. In building an empire controlled by his family. It's okay though.Nothing like a fake engagement to take the pressure off.But what happens when this pretend arrangement becomes real love?

**The Dragon Looks South**-Bronson Percival 2007 Analyses the role and relative importance of the various components of China's comprehensive strategy for Southeast Asia, including the political, economic and "soft power" dimensions of China's multifaceted relationships both with individual states and the region as a whole. This book also looks at American interests in Southeast Asia.

**The Assassin's Cloak**-Irene Taylor 2020-11-05 'A diary is an assassin's cloak which we wear when we stab a comrade in the back with a pen', wrote William Soutar in 1934. But a diary is also a place for recording everyday thoughts and special occasions, private fears and hopeful dreams. The Assassin's Cloak gathers together some of the most entertaining and inspiring entries for each day of the year, as writers ranging from Queen Victoria to Andy Warhol, Samuel Pepys to Adrian Mole, pen their musings on the historic and the mundane. Spanning centuries and international in scope, this peerless anthology pays tribute to a genre that is at once the most intimate and public of all literary forms. This new updated edition is published to mark the twentieth anniversary of the book's original publication.

**William Wallace and Robert the Bruce**-Charles River Charles River Editors 2017-01-26 \*Includes pictures \*Includes accounts of the major battles of the Scottish Wars of Independence \*Includes online resources and a bibliography for further reading \*Includes a table of contents "A false usurper sinks in every foe And liberty returns with every blow." - Blind Harry From their very beginnings, England and Scotland fought each other. Emerging as unified nations from the early medieval period, their shared border and inter-related aristocracy created endless causes of conflict, from local raiders known as border reivers to full blown wars between their monarchies. Every century from the 11th to the 16th was colored by such violence, and there were periods when not a decade went by without some act of violence marring the peace. Out of all of this, the most bitterly remembered conflict is Edward I's invasion during the late 13th century. After Edward's death, the English were eventually beaten back at the famous Battle of Bannockburn in 1314, and thus the early 14th century was a period featuring some of Scotland's greatest national heroes, including William Wallace and Robert the Bruce. It still resonates in the Scottish national memory, all the more so following its memorable but wildly inaccurate depiction in the 1995 film Braveheart, which had Scottish audiences cheering in cinemas. William Wallace is one of the most famous freedom fighters in history, and over 700 years after his death he is still remembered as Scotland's beloved hero. But while the movie Braveheart helped make him a household name, and he is commemorated across Scotland as a natural leader and a loyal son of his homeland, he is also "the most mysterious of the leaders of the Scottish resistance to Edward I." This is because, paradoxically, the very famous soldier is also one of the least well known. In fact, the mystery surrounding Wallace is figuring out precisely, or even vaguely, who he was. Where did this champion of Scottish independence come from? Who was his family? What did he do before emerging from obscurity with the brutal murder of William Heselrig, the English sheriff of Lanark, in May 1297? So little evidence on Wallace's life exists that answering even the most basic questions about him can be a challenge. Piecing together the story of William Wallace's life is an exercise in asking more questions than can be answered, and often in looking at just as much conjecture as proof. This book attempts to separate fact from fiction while looking at the life and fighting of the man who inspired Braveheart. Though it's often forgotten today, Robert the Bruce was a bit shifter, if only out of necessity. Robert the Bruce has become a figure of Scottish national legend, renowned as the man who threw off the shackles of English oppression, but prior to 1306, this Anglo-Scottish nobleman did little to cover himself in glory or to earn a reputation as a hero of the national cause. A member of one of Scotland's leading noble families, Bruce inherited his grandfather's claim to the right to be King of the Scots. That older Bruce had been one of the two leading competitors in the Great Cause, and the family still held ambitions toward the throne. They also held resentments dating back to that disputed inheritance against the Balliol clan and their supporters the Comyns. Of course, this was all forgiven and forgotten after Bannockburn and Bruce's rise to the Scottish throne, which he held for over two decades. This book analyzes the lives of William Wallace and Robert the Bruce. Along with pictures of important people, places, and events, you will learn about the two Scottish heroes like never before.

**Kayak Rolling**-Loel Collins 2004 Rolling is a skill critical to every kayaker's survival in water. This simple, four-color book provides a visual step-by-step approach to learning to roll a kayak and developing a bombproof roll in rough water. Modern and relevant to all kayakers, from sea kayakers to playboaters.

**The Crystal Key**-T. L. Howard 2018-05-18 Two gods. A world divided. One man and one woman destined to decide which god will control humanity's destiny for the next 1,000 years. For Mirah, who has a mind of her own and a will far outweighing her slight stature, her late father's general supply shop was the world. Then came a simple knock on the door one cold, winter night following an exhausting day. Her only goal being to dismiss whoever it was so she could get to bed, she answered it. Unfortunately, the two Knights on the other side had orders that would ultimately shatter her world. In the blink of an eye, she's ripped from the only life she's known and riding headlong into a destiny for which she was not prepared. A destiny she shares with a man named Rasmun who seems bent on killing her. Through dark forests, scorching deserts, snow covered mountains, and cursed land, she and her Knight Protectors; the arrogant Commander Roenin, patient Colonel Alyen, and fiery, red-headed Captain Samone; first learn about then struggle to fulfill the demands of a secret held by the Temple for the last one thousand years. A secret that will not only change Mirah's life forever, but the world as well.

A secret that will not only change Mirah's life forever, but the world as well.

**Patrology**-Otto Bardenhewer 1908 Otto Bardenhewer's Patrology is certainly not the most recent work in the field. But sound judgment is never obsolete - Bardenhewer's concise, pellucid analysis of the church fathers is still valuable today, over a century after it was published. For generations, his work has been treasured by experts and novices alike for its penetrating insight and easy accessibility. Many fathers are given fuller treatment here than in any modern handbook. And today, every work cited in Bardenhewer's copious bibliographies has entered the public domain - what a boon to researchers of the information age!

**Dreaming of Antigone**-Robin Bridges 2016-04-01 "Heartfelt and emotional." --Rebecca Phillips, author of Faking Perfect "I can't ever be the blazing star that Iris was. I'm still just a cold, dark satellite orbiting a star that went super nova." Andria's twin sister, Iris, had adoring friends, a cool boyfriend, a wicked car, and a shelf full of soccer trophies. She had everything, in fact—including a drug problem. Six months after Iris's death, Andria is trying to keep her grades, her friends, and her family from falling apart. But stargazing and books aren't enough to ward off her guilt that she--the freak with the scary illness and all-black wardrobe--is still here when Iris isn't. And then there's Alex Hammond. The boy Andria blames for Iris's death. The boy she's unwittingly started swapping lines of poetry and secrets with, even as she tries to keep hating him. Heartwrenching, smart, and bold, Dreaming of Antigone is a story about the jagged pieces that lie beneath the surface of the most seemingly perfect life...and how they can fit together to make something wholly unexpected.
