Sons and Other Flammable Objects-Porochista Khakpour 2008-11-09 The Iranian-American author's award-winning debut examines an immigrant's coming of age with "punchy conversation, vivid detail [and] sharp humor" (The New York Times Book Review). Growing up in the United States, Xerxes Adam's understanding of his Iranian heritage vacillates from typical teenage embarrassment to something so tragic it can barely be spoken. His father, Darius, is obsessed with his own exile, and fantasizes about a nonexistent daughter he can relate to better than his living son. His mother changes her name and tries to make friends. But neither of them helps Xerxes make sense of the terrifying, violent last moments in a homeland he barely remembers. As Xerxes grows up and moves to New York City, his major goal in life is to completely separate from his parents. But after the attacks of September 11th change New York forever, and Xerxes meets a beautiful half-Iranian girl on the roof of his building, he begins to realize that his heritage will never let him go. Winner of the California Book Award Silver Medal in First Fiction, Sons and Other Flammable Objects is a sweeping, lyrical tale of suffering, redemption, and the role of memory in making peace with our worlds. Blood Royal-Grant Allen 1892 Chiddingwick High Street is one of the quaintest and most picturesque bits of old town architecture to be found in England. Narrow at either end, it broadens suddenly near the middle, by a sweeping curve outward, just opposite the W hite Horse, where the weekly cattle-market is held, and where the timbered gable-ends cluster thickest round the ancient stone cross, now reduced as usual to a mere stump or relic. In addition to its High Street, Chiddingwick also possesses a Mayor, a Corporation, a town pump, an Early English church, a Baptist chapel, and abundant opportunities for alcoholic refreshment. The White Horse itself may boast, indeed, of being one of the most famous old coaching inns still remaining in our midst, in spite of railways. And by its big courtyard door, one bright morning' in early spring, Mr. Edmund Plantagenet, ever bland and self-satisfied, stood sunning his portly person, and surveying the world of the little town as it unrolled itself in changeful panorama before him.

Myths and Legends of the Celts-James MacKillop 2006-06-01 Myths and Legends of the Celts is a fascinating and wide-ranging introduction to the mythology of the peoples who inhabited the northwestern fringes of Europe - from Britain and the Isle of Man to Gaul and Brittany. Drawing on recent historical and archaeological research, as well as literary and oral sources, the guide looks at the gods and goddesses of Celtic myth; at the nature of Celtic religion, with its rituals of sun and moon worship; and at the druids who served society as judges, diviners and philosophers. It also examines the many Celtic deities who were linked with animals and such natural phenomena as rivers and caves, or who later became associated with local Christian saints. And it explores in detail the rich variety of Celtic myths: from early legends of King Arthur to the stories of the Welsh Mabinogi, and from tales of heroes including Cúchulainn, Fionn mac Cumhaill and the warrior queen Medb to tales of shadowy otherworlds - the homes of spirits and fairies. What emerges is a wonderfully diverse and fertile tradition of myth making that has captured the imagination of countless generations, introduced and explained here with compelling insight.
