Mrs. Oswald Chambers-Michelle Ule 2017-10-17 Among Christian devotional works, My Utmost for His Highest stands head and shoulders above the rest, with more than 13 million copies sold. But most readers have no idea that Oswald Chambers's most famous work was not published until ten years after his death. The remarkable person behind its compilation and publication was his wife, Biddy. And her story of living her utmost for God's highest is one without parallel. Bestselling novelist Michelle Ule brings Biddy's story to life as she traces her upbringing in Victorian England to her experiences in a WWI YMCA camp in Egypt. Readers will marvel at this young woman's strength as she returns to post-war Britain a destitute widow with a toddler in tow. Refusing personal payment, Biddy proceeds to publish not just My Utmost for His Highest, but also 29 other books with her husband's name on the covers. All the while she raises a child alone, provides hospitality to a never-ending stream of visitors and missionaries, and nearly loses everything in the London Blitz during WWII. The inspiring story of a devoted woman ahead of her times will quickly become a favorite of those who love true stories of overcoming incredible odds, making a life out of nothing, and serving God's kingdom.

Good News, Great Joy, for All People-Laura Cave 2019-11-14 Discover God's good news of great joy for all people--including you! Originally written for Church of the City New York's 2018 advent season, this book is an invitation to encounter the hope, peace, joy, and love of Jesus and to discover why Christmas is good news for 21st-century people in a hurting world. The Christmas season can be full of joy, but it can also be hectic and hard on those who are hurting. We can drown those feelings in eggnog, leaving these tensions unexamined, or we can step into the light of the Advent candles to see, maybe for the first time, that a loving God with good plans for our future has stepped into our broken world to set things right. An energizing read whether you're full of faith or questions, find a quiet place to unwrap the gifts of Advent and see why the baby in the manger is good news for people like us. This book was written for my community at Church of the City New York (visit church.nyc) and is the outpouring of my writing about Advent, which you can find at www.theadvent.co. It was inspired by a desire not to go through the motions at Christmas but to deeply and personally connect with the hope, peace, joy and love that Christmas dares to offer us. This book contains four weekly reflections to guide you through the season of Advent, following the rhythm of the candles, which symbolize the Hope of the patriarchs who expected Christ, the Peace the Messiah will bring, our Joy when we receive Jesus, and God's powerful Love for us.

Wise Up!-Alyce M. McKenzie 2018-05-22 Wise Up! invites the reader to step up to the divine customer service desk and exchange self-sufficiency, self-absorption, self-indulgence, and self-protection for the four virtues of biblical wisdom: the fear of the Lord (faith), the listening heart (compassion), the cool spirit (self-discipline), and the subversive voice (moral courage). An invaluable resource for personal devotion, small group study, and sermon series, Wise Up! is a spiritual manual for navigating the twists and turns of an unpredictable life. The author mines the riches of the Bible's wisdom literature from Proverbs, Job, Ecclesiastes, and the short sayings of the synoptic Jesus. The result is four guiding virtues that can keep our feet from stumbling on the journey to wisdom through the thorniest of paths. McKenzie, the author of several popular books for both clergy and laity, places her profound knowledge of biblical wisdom in conversation with the absurdities, pains, and joys of our everyday lives. She invites wisdom down from the pedestal to accompany the reader on his or her daily rounds. Reading this book, at the same time, soothes the soul and troubles the conscience. It deepens faith, fires compassion, cools destructive desires, and nudges the sleeping conscience awake.

1 Advent Expectation-Trinity Church 2016-11-18 What are you expecting? My expectations are often outsized. I expect way too much from myself and way too little of others. Or, is it the other way around? Often we can't even understand our expectations because we get them mixed up with nostalgic desires for some one experience that will make everything right again. We hope, we pray, we long for something that will restore joy, peace and power in our lives. But nothing seems to fully satisfy. And so we get busy doing a million little things in the hope that we will finally find something... anything... to put our hope in. That's why I love Advent. In the middle of the commercial ramp up to gift-giving-palooza ... that holiday of holidays where everything is supposed to make us feel good if we just get the formula right... we are told to change our expectations. One Advent Expectation leads us to the One Gift: Jesus.

Watch for the Light-Dietrich Bonhoeffer 2001 A collection of spiritual readings by various authors for the Advent and Christmas season.

Under the Overpass-Mike Yankoski 2009-01-21 An updated and expanded edition of the gritty, challenging, and utterly captivating portait of the homeless crisis. Ever Wonder What it Would Be Like to Live Homeless? Mike Yankoski did more than just wonder. By his own choice, Mike's life went from upper-middle class plush to scum-of-the-earth repulsive overnight. With only a backpack, a sleeping bag and a guitar, Mike and his traveling companion, Sam, set out to experience life on the streets in six different cities—from Washington D.C. to San Diego— and they put themselves to the test. For more than five months the pair experienced firsthand the extreme pains of hunger, the constant uncertainty and danger of living on the streets, exhaustion, depression, and social rejection—and all of this by their own choice. They wanted to find out if their faith was real, if they could actually be the Christians they said they were apart from the comforts they'd always known...to discover first hand what it means to be homeless in America. What you encounter in these pages will radically alter how you see your world—and may even change your life.

Out of Sorts-Sarah Bessey 2015-11-03 From the popular blogger and provocative author of Jesus Feminist comes a riveting new study of Christianity that helps you wrestle with—and sort out—your faith. In Out of Sorts, Sarah Bessey—award-winning blogger and author of Jesus Feminist, which was hailed as “lucid, compelling, and beautifully written” (Frank Viola, author of God’s Favorite Place on Earth)—helps us grapple with core Christian issues using a mixture of beautiful storytelling and biblical teaching, a style well described as “narrative theology.” As she candidly shares her wrestlings with core issues—such as who Jesus is, what place the Church has in our lives, how to disagree yet remain within a community, and how to love the Bible for what it is rather than what we want it to be—she teaches us how to walk courageously through our own tough questions. In the process of gently helping us sort things out, Bessey teaches us how to be as comfortable with uncertainty as we are with solid answers. And as we learn to hold questions in one hand and answers in the other, we discover new depths of faith that will remain secure even through the storms of life.

The Dawning of Indestructible Joy-John Piper 2014-08-05 Advent is for adoring Jesus. The Christmas season is one of the busiest times of year. But it’s also a season of reflection and preparation for that special day when we mark Immanuel’s coming—the arrival of our eternal God in our own frail humanity. This is the greatest of history’s many wonders, something too stupendous to celebrate just on one day. Advent is a way of lengthening and intensifying the joy of Christmas. These 25 brief devotional readings from John Piper begin on December 1 and carry us to Christmas Day. Our hope is that God would use these meditations to deepen and sweeten your adoration of Jesus and help you keep him at the center of your Christmas season.

We attend parties at our schools, churches and at the homes of our friends and family. This is also the time when we prepare our hearts to worship. This devotional book is a special way for children to prepare for Christmas. Go now and listen to the Christmas story again and treasure its moments of new discovery.

A Church Called Tov-Scot McKnight 2020-10-06 What is the way forward for the church? Tragically, in recent years, Christians have gotten used to revelations of abuses of many kinds in our most respected churches—from Willow Creek to Harvest, from Southern Baptist pastors to Sovereign Grace churches. Respected author and theologian Scot McKnight and former Willow Creek member Laura Barringer wrote this book to paint a pathway forward for the church. We need a better way. The sad truth is that churches of all shapes and sizes are susceptible to abuses of power, sexual abuse, and spiritual abuse. Abuses occur most frequently when Christians neglect to create a culture that resists abuse and promotes healing, safety, and spiritual growth. How do we keep these devastating events from repeating themselves? We need a map to get us from where we are today to where we ought to be as the body of Christ. That map is in a mysterious and beautiful little Hebrew word in Scripture that we translate “good,” the word tov. In this book, McKnight and Barringer explore the concept of tov—unpacking its richness and how it can help Christians and churches rise up to fulfill their true calling as imitators of Jesus.

Prayers to Share - Tough Times & Tough People-Katy Fults 2019-08 100 Encouraging Notes for Tough Times & Tough People offers just the right sentiments to touch the hearts of those who are struggling, reminding them of where their true strength lies

Pastor Paul (Theological Explorations for the Church Catholic)-Scot McKnight 2019-09-03 Being a pastor is a complicated calling. Pastors are often pulled in multiple directions and must "become all things to all people" (1 Cor. 9:22). What does the New Testament say (or not say) about the pastoral calling? And what can we learn about it from the apostle Paul? According to popular New Testament scholar Scot McKnight, pastoring must begin first and foremost with spiritual formation, which plays a vital role in the life and ministry of the pastor. As leaders, pastors both create and nurture culture in a church. The biblical vision for that culture is Christiformity, or Christlikeness. Grounding pastoral ministry in the pastoral praxis of the apostle Paul, McKnight shows that nurturing Christiformity was at the heart of the Pauline mission. The pastor's central calling, then, is to mediate Christ in everything. McKnight explores seven dimensions that illustrate this concept--friendship, siblings, generosity, storytelling, witness, subverting the world, and wisdom--as he calls pastors to be conformed to Christ and to nurture a culture of Christiformity in their churches.

The Fear Nots of Christmas-Debbie Short 2020-08-17 “Do not be afraid” was the message brought by angels to four people, while telling them life-altering news. The lives of Zacharias, Mary, Joseph and the Shepherds from 2000 years ago will show you that even though the packages of life may appear barren, God is indeed a gracious giver, that He comes to save lives, not destroy them—for he is a Savior and a dream re-maker. You are one of His favorites, and He can come into the darkest of lives, flooding them with brilliant beauty and grace. The messages are rock solid even for you today, ready to hold you steady, going forward with hope, joy, love and peace when you, too, fear what next might happen. Daily worship songs and activities will lead you to live loved as you are beloved, and the study questions are perfect for individual use, groups, or family devotions. You will find a page to journal on each day as well as full color photos to accompany the activities, a few recipes, and gift ideas that will help you make joyful traditions in your own family for generations to come.
